97 words, casual:

Alex Shapiro (born New York City, 1962) has built an unconventional life interweaving her dynamic musical career with avid pursuits of wildlife photography, non-fiction writing, and a devotion to advocacy. Published by Activist Music LLC, her works are heard daily in concerts and broadcasts and appear on over thirty commercially released recordings from around the world. Alex lives on Washington State's remote San Juan Island, and when she's not composing she can be found communing with the sea life, as seen on her archived music and photo-filled blog, www.notesfromthekelp.com and her website, www.alexshapiro.org.
